

REMARKS

Claims 34, 46 and 56 have been amended, and claims 67-69 have been cancelled. Claims 34-66 are pending, of which claims 34, 46 and 56 are independent claims.

In the Office Action, it is indicated that claims 67-69 would be allowable if re-written in independent form. This action has been taken by amending each of independent claims 34, 46 and 56 to include the subject matter of the respective one of claims 67-69. Thus, it is believed that all the claims of this application are now allowable. Favorable action is respectfully requested.

Conclusion

In view of the foregoing remarks, this Application should be in condition for allowance. A Notice to this affect is respectfully requested. If the Examiner believes, after this Response, that the Application is not in condition for allowance, the Examiner is respectfully requested to call the undersigned attorney.

Petition is made for any extension of time which is required to maintain the pendency of this case. If there is a fee occasioned by this response, including an extension fee, that is not covered by an enclosed check, please charge any deficiency to Deposit Account No. 50-3661.

If the enclosed papers or fees are considered incomplete, the Patent Office is respectfully requested to contact the undersigned collect at (508) 616-2900, in Westborough, Massachusetts.
